Compilers notes: The alumni realized that there is really no place for a marker to set at the crossroads in Buckhorn and hope that this small book will mark the town's place in history. The school was one of the most consistent building in Buckhorn and as in any small school kept the people as a community. Many friendships and marriages were formed because of this school. The information contained in the following pages comes from the Fredericktown Superintendent's school office, the Fredericktown Court House Archives, and Marquand High School Archives. Marquand school did have the most information of all. Most of the information found in these three places is the same so I have only made footnotes when an additional source is named. None have contained any other records before 1926. Mrs. Eva Berry in Springfield Missouri stated she recalled that the school clerk Mrs. Settles had a house fire that destroyed a number of records. The Settles lived on the Myers place then. The puzzle remains, apparently no records were turned in at all from the beginning of the school in around 1850 until 1926. Records were found on the teacher's grade cards that they were reporting the condition of the school along with the grades. I feel the records are still out there but not as Buckhorn school. The side comments were stories that the former students remembered about their image of growing up in Buckhorn. None of these are meant to harm anyone. Other town's information used in this book was to show examples of everyday life. Aunt Valley Senter use to say she knew nothing about early Buckhorn because she was raised in Cascade. Her stories helped me to understand how people felt and lived then even those few miles away. I have also introduced some family pictures because they will name people from this area. Maybe they can be used for identification for other people looking for family history. Anyone may use this information and I hope someday add the rest of this little town's history to it.

Thank you to the Alumni that sponsored this research or in some way added information: Lottie Barrett, Dorothy Bennett, Gerald Bennett, Henry Bennett, Wilma Bennett, Bob and Dovie Berry, Marion Berry, Wayne Berry, Audrey Beshler, Elmer Boettcher, Joe Bonilla, Geraldine Graham, June Box, Norma Brandt, Virgil Clements, Bill Craig, Florence Dollinger, Melvin Dalton, Willard Darnell, Shelba Daves, Burnie Dees, Ray Galante, Allen Gipson, Ava Lee Gipson, Elmer Gipson, Gary Gipson, Jerry Gipson, Leo Gipson, Gordon Goad, Norma Jean Graves, Larry Hawn, Roney Hawn, Glenda Hinkle, Sharon Hollis, Bill Hovis, Bob Hovis, Larry Hovis, Virginia Hovis, Willard Hovis, Naomi Hubberth, Freeman Huffman, J. The following article appeared in the Democrat-News in 1990 to plan the first of many Buckhorn get togethers.

WE HAD A DREAM submitted by Minnie Reimler, former student.

We are the students, teachers, and families of the Buckhorn Country School-our memories go back to the early Teens. To make a dream come true, someone had to make a move. Bill Hovis and Minnie Reimler started the ball rolling. They asked Hugh Senter to help get the word out to as many folks as possible.

We searched the records at Marquand-Zion School to get as many names of students and teachers. We were pleased with the information we got and want to thank Superintendent Deardorf for allowing us to come to the school. We didn't advertise too much. We made phone calls, wrote letters, and by word of mouth seemed to have good results.

We met, set the date for May 26, 1990 at Marquand-Zion School. It was not possible to meet at Buckhorn were our old school still stands; it belongs to someone else. Even though our memories do remain where we will cherish them for a lifetime.

The first teacher we have record of was David Farquah and the last one was Mrs. Gladys Hovis of Fredericktown. We were sorry, due to ill health, she was unable to come. The oldest teacher attending was miss Lettie Burris. The oldest student was Troy Hovis who still lives near Buckhorn, Geraldine (Graham) Bowman, came from Reston, Virginia, a student then, later taught in our school. She flew from Virginia to St. Louis and drove to Marquand to be with us. Florence (Whitener) Johnson and George Huffman were also students and teachers later. Other students from out of state were Alta (Gipson) Bennett from Arkansas; Bill Ronk, wife, and three children from Georgia; Bill Senter flew in from California; Lucille (Krueger) Jackson and husband from Nebraska; Bill and Mary L. (Hawn) Craig, Granite City, IL; Ralph and Thelma Darnell; Paul and Ruby (Thorpe) Loeker; and Freddie and Lola (Thorpe) Vierse, Farmington.

From St. Louis and adjoining towns: Elmer and Gladys (Gipson) Betcher; David and Linda Myers; Clifford and Faye (Gipson) Myers; Allen "Sonny" and Irene Gipson; Ray Hovis; Kathryn (Whitener) Noonan; Glenn and Martina (Bennett) Ott; Ophia (Gipson) Whitener; Roy Whitener, Gloria, Susan and Jeff; Paul and Audrey (Bennett) Beshler; Aubrey and Freda Myers.

From Arnold: Willard and Ilene Hovis; Shelby (Gipson) Davis and husband; Clark and Ruby Hovis and daughter Betty and husband; and Dorothy "Dolly" (Gipson) Thurston.

Willard and Eleanor (Gipson) Sanders from St. Charles; Letha (Stevens) Skaggs, Silva; Steve and Mattie Bridges, Coldwater; Harley, Loyd and Hazel Henson, Jackson; Jerry Gipson, Cascade; Mr. And Mrs. Garry Gipson, Cuba; L.N. Ward, Clubb; Mrs. And Mrs. Freeman Huffman, Festus; J. E. and June (Hawn) Huffman, Troy; Peggy Dalton and husband; Marilyn Revelle, Eureka; Trooper Bill Darnell, Jefferson City; and Jewell (Gipson) Hovis, Wentzville.

From Fredericktown: Sam and Loretta (Darnell) Tripp; Irene (Darnell) Kennon; Charnelsey (Schanda) Darnell; Ola (Gipson) White; Jessie and Veda Myers; Elba and Ava L. (Myers) Gipson; Martin Jr. and Betty Krueger; Jerry and Jean Graham; Lettie Burris; Jim Graham; Stella (Henson) Settle; Sharon Settle; Keith, Martin and Ruth Fields; and Myrtle (Hovis) Hawn.

From Marquand and Buckhorn; Carl and Minnie (Hawn) Reimler; Dorothy (Stevens) Skaggs; Lige and Mae (Johnson) Tripp; Hugh and Audrey Senter; Eva (Gipson) Myers; Marie (Good) Gipson; Clyde Gale Gipson; Warren Huffman; Fern (Hovis) Poe; Troy Hovis; Gale and Lily (Johnson) Tripp; Carl Johnson; Raymond Gipson; Jewell Parson; Dorothy Bennett; George and Ruby (Gipson) Huffman; Elmer and Irma (Huffman) Gipson; Bill and Shirley Hovis; Ernest and Edna (Hovis) Tucker; and Misty and Grace (Pugh) Myers.

We spent the day enjoying the good food, taking pictures, talking about the good times we spent around our old school grounds, and good school days we did enjoy so much. Not to mention the fact we all seem to have some gray hair, which to me is an honor! I was allowed to live to see this dream come true. My four brothers went to school at Buckhorn, but did not live to see this. Everyone seemed to want to come back next year -Fourth Saturday of May 1991. Richest blessing on all that came. Minnie Reimler

The following is the student lists taken from the Fredericktown Courthouse archives, the school Superintendent's office, and the Marquand School archives. Some years have extra lists, which I kept in because the names are different. It is possible the teachers changed during a school year or that the students from the big room took classes in the small room to catch up. Spelling is as the teacher used it.

My aunts were only listed a few times but went to school regularly. There are no other records found.

Class of 1957 was the last class

In 1957 the Zion, Buckhorn, and Marquand School Districts were merged and students were sent to the town of Marquand.

Thelma Faye Gipson Myers born 7-16-30 was born at the Farhquar House. She attended Buckhorn 1936 to 1944. Her teachers were Audrey Bennet, Jerry Henson, Mr. McDoweel, Arthur Gipson, and Mabel Barker Dees. Her father was a farmer and she hung out around her friend's homes. Her classmates were Norma Gene Whitener, Peggy Myers, Glenda Whitener, and Lucille Krueger. She remembers that the store was across the creek. (No one goes across any more) Later there was a store on each corner of the new road. Other than that there were farms, big creek church and lots of cemeteries. "We" walked to school each day whither rain, snow or sunshine. There was no such thing as a snow day. One time Mabel Dees came to spend the night with us. The teachers made a point of visiting and getting acquainted with the parents. The next morning the thermometer registered -18. We walked to school and my sister, brother, and Mabel and I were so cold. I remember the frost on Mabel's coat as we walked. Sometime the school was warm. We had lots of neighbor kids to walk with. We had lots of fun.
